TOTOWN IN TV  
TALK TONIGHT

President Eisenhower will make a direct reference to the Gettysburg Community Chest in a message to the American public tonight on radio and television, according to an announcement today by nationwide Chest headquarters in New York City.

The President's mention of the local campaign will be incorporated in a coast-to-coast appeal on behalf of this year's Community Chest campaign. The four major radio networks will carry the address at 9:55 p.m. The three TV hook-ups will broadcast the President's talk at 10 p.m.

Official Opening  
A response to the President's remarks will be made by Richard R. Deupree, 1959 national chairman of the United Community Campaigns of America. Deupree is chairman of the board of Procter and Gamble.

The program will mark the official opening of Red Feather campaigns throughout the U. S.

Dr. Seymour B. Dunn, 1959 Gettysburg Community Chest campaign chairman and dean of Gettysburg College, urged Adams Countians to watch or listen to the President's talk "not only to hear the Gettysburg Chest receive national attention, but also to hear America's number one citizen endorse an extraordinarily worthwhile project which will insure adequate health, recreation and welfare services."

**Seek Donations For New Uniforms**  
At a recent meeting the joint school board of the Bermudian Springs Jointure granted approval for the purchase of new high school band uniforms. Since band members are from both the York Springs and East Berlin units, they have had to wear mixed uniforms in all their appearances without any of them portraying the present school colors. In order to correct this condition it is the hope of the school board that sufficient funds can be raised to make the purchase.

Next week a door-to-door solicitation of the school community will be conducted by members of the band. Additional donations may be sent to either of the school offices at East Berlin or York Springs.

Premier Khrushchev Now  
Shows Signs Of Fatigue

DES MOINES, Iowa (AP)—Nikita Khrushchev, beginning to show signs of heavy fatigue, started another rugged round of activities today with a 75-mile automobile trip for a close look at Iowa's tall corn.

The Soviet Premier, though obviously happy at the friendly reception he received in America's corn belt, showed definite signs Tuesday night of being dog-tired after more than a week of strenuous touring, speaking and arguing.

Khrushchev travelled to the farm of Roswell (Bob) Garst near Coon Rapids for a look at American methods of raising corn and producing animal fodder, subjects close to Khrushchev's heart. Garst has been Khrushchev's guest in the Soviet Union several times.

The Khrushchev motorcade left for Coon Rapids, about an hour's drive away, in cool sunny weather. Several hundred persons gathered behind barricades applauded lightly as Khrushchev and his party left their hotel.

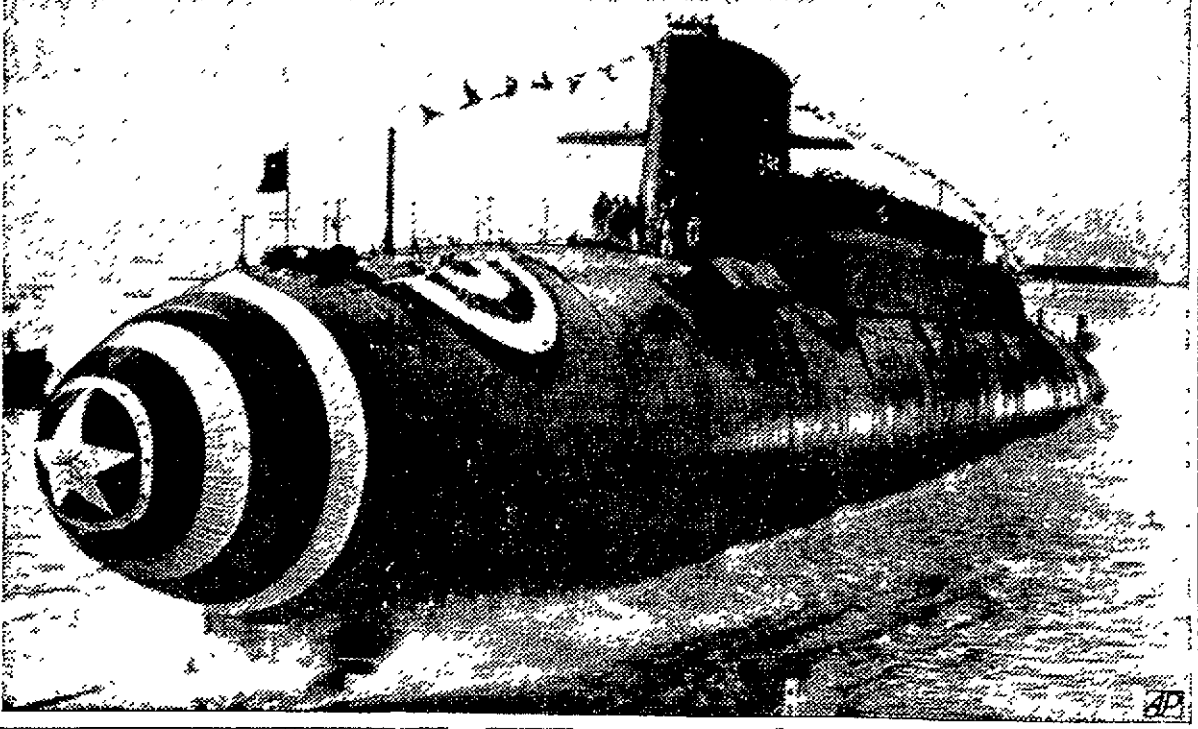

The Soviet Premier had fortified himself with a substantial breakfast of fruit juice, poached trout, blintzes—a sort of pancake—with melba sauce, roast loin of veal, vegetables, sliced cucumbers, whole petite tomatoes, and bread.

Khrushchev's demeanor Tuesday night at a civic dinner in his honor and his facial expression reflected happiness at his Iowa reception, almost to the point of being benign.

But for the first time, Khrushchev did no off-the-cuff speaking and for the first time, he did not even read his own speech. The interpreter did it for him, in English. As Khrushchev stood by listening, his eyes closed occasionally as if from deep fatigue. He seemed pale.

STATE'S WORK  
FOR RETARDED  
IS DESCRIBED

Harry Blank, executive director of the Pennsylvania Association for Mentally Retarded Children, spoke to a group of 35 at meeting Tuesday evening in the High Street school.

In his presentation, "An Overview of Mental Retardation in Pennsylvania," Mr. Blank said there are 300,000 mentally retarded persons in Pennsylvania, which follows the national trend of three percent of the total population. There are four state schools and three annexes. Five years ago there were only half a dozen classes for the trainable, whereas there are now 105.

The state program carried out by four main departments was outlined by Mr. Blank. The Department of Public Instruction provides money, guidance and materials to better equip teachers of the mentally retarded. Diagnostic clinics are another type of aid which is made available.

Explains State Services  
The Department of Public Welfare is responsible for all mentally retarded persons not taken care of by the public schools. There are 10,000 people in state institutions and 3,000 more on waiting lists. Many of those on the waiting lists cannot remain at home for medical or other reasons and are placed temporarily in foster homes or small institutions, the speaker continued.

The Department of Health sponsors clinics for expectant mothers where the known causes related to mental retardation are discussed and baby clinics where nurses and doctors can spot retardation early in infancy. Public health nurses are sent into the community to visit in homes and help parents to establish feeding and training routines or else to refer them to other agencies that

LIBRARY WEEK  
IS PROCLAIMED

The Adams County Commissioners, at their meeting in the court house this morning, issued a proclamation setting aside October 18 through 24 as "Adams County Free Library Week." and met with engineers to consider acoustical problems in the court room.

The proclamation notes that the county library has grown to an institution with more than 28,000 books and with a circulation of nearly 100,000 volumes annually and that it maintains not only the main library but also 16 branches and adult stations throughout the county and sends the bookmobile to all schools during the school year.

Urging residents of the county to "inform themselves of the work of the library," the resolution terms the library "an essential part of the educational and cultural life of Adams County." The proclamation also commends the "Friends of the Library" for their assistance to the library.

The acoustics problem in the court room was studied by Henry K. Owen and Robert Anderson of Buchart Associates, York. The engineers, following their visit to the court room, expressed the belief that the amount of "explosive noise" entering the court room from the streets below could be decreased. They plan to present a report to the commissioners in the near future.

**Man Who Bolted Commies Found Beaten Unconscious**  
SAN FRANCISCO (AP)—A Hungarian who helped hijack a plane to escape to the free world and who spoke against Soviet Premier Nikita Khrushchev's visit here was found beaten and unconscious early today.

Ferenc Iszak, 31, president of the Hungarian Freedom Fighters of San Francisco, would say only, "I don't remember anything," after police found him in Golden Gate Park.

He was reported in fair condition with multiple head, rib and other injuries.

His wife, Enese, 36, had called police when Iszak went out after a mysterious telephone call and failed to return.

Inspectors Charles Naughton and Lloyd Kelly said the missing Hungarian patriot was found crumpled in front of his parked auto just inside an entrance to the park. The keys were in the car and its lights were on.

Iszak, a chemical engineer, made international headlines when he fled from behind the Iron Curtain in 1956.

His speech against the Khrushchev visit was last Saturday in San Francisco's Union Square.

CHURCHMEN  
HOLD SESSION  
HERE TUESDAY

The need to integrate the work of the church into the community and the lives of its members was described by a number of speakers Tuesday at the 21st annual conference of the Mercersburg Synod of the United Church of Christ at Trinity United Church of Christ here.

The 277 representatives from 84 churches of the synod present for the all-day session were told by the Rev. Huber F. Klemme, Cleveland, executive secretary of the commission on social action: "We need to look at the work of nations in terms of Christian stewardship; we need to look at our community and ask, is it really a community in which everybody counts and is welcome? It comes back to all we do in our own jobs and our own life and the respect we have for people as children of God. In considering the problems of the world, let us remember that perhaps our smugness and our pride have contributed to what is happening in far distant places."

**More Concern About Earth**  
Rev. Clarence Moats, Allentown, a member of the national board of the Churchmen's Brotherhood, said: "When we think of the Brotherhood we think of a select group of men, different because they have looked forward to integrate the work of the community in the work of the church. Those of you here today are here because you have been called of God. Down through the years the church has had men who have had the sense of being called. The fate of the human race lies in the integrated hearts and minds and souls of Christian men and women." He reported 1,000 chapters of the Brotherhood have been established so far, 34 so far this year.

Rev. Henry Schaeffer, Bethlehem, member of the commission on world service, said: "It has been said that it won't be long until there is a missile encircling the moon. But we should be more concerned by the community, the relationship of man with man and nation with nation. Our efforts

ACTIVITIES  
PLANNED BY  
TRAVEL GROUP

Plans for a number of activities were outlined Tuesday evening at a meeting of the Gettysburg Travel Council at the VFW home, E. Middle St.

Members of the permanent range committee of the North-South Skirmish Association favor selection of Gettysburg as the site of permanent headquarters for the national organization creating units of Civil War soldiery, the council was told. A letter from the chairman of the committee was read in which it was reported that the committee will make its recommendations to the full North-South Skirmish Association at a meeting in Pittsburgh in October. If approval is given by the national organization, it is anticipated that establishment of the national headquarters will begin here during the winter or early spring.

President Walter B. Lane reported meeting with representatives of the North-South permanent range committee here ten days ago.

Reports were presented on publication of a folder, "The Gettysburg Visitor," listing various events to be held here during the fall and winter months, and carrying a map showing the location of the businesses of the members of the Travel Council as a convenience to tourists wishing to visit museums and business places. Churches and other points of interest also are shown on the map.

President Lane reported plans to seek state assistance in the establishment of an outdoor drama here, possibly as part of the 100th Anniversary program.

Approval was given for financial support for the GAP Remembrance Day here November 21. Plans for entertaining a group to be here October 10 under sponsorship of the Jamestown, N. Y., Sun were outlined.

Nicholas A. Meligakis was named chairman of a nominating committee which will report at the next meeting of the council.

SAN FRANCISCO (AP)—A Hungarian who helped hijack a plane to escape to the free world and who spoke against Soviet Premier Nikita Khrushchev's visit here was found beaten and unconscious early today.

Ferenc Iszak, 31, president of the Hungarian Freedom Fighters of San Francisco, would say only, "I don't remember anything," after police found him in Golden Gate Park.

Inspectors Charles Naughton and Lloyd Kelly said the missing Hungarian patriot was found crumpled in front of his parked auto just inside an entrance to the park. The keys were in the car and its lights were on.

Iszak, a chemical engineer, made international headlines when he fled from behind the Iron Curtain in 1956.

His speech against the Khrushchev visit was last Saturday in San Francisco's Union Square.

In order to correct this condition it is the hope of the school board that sufficient funds can be raised to make the purchase.

**Premier Khrushchev Now Shows Signs Of Fatigue**

DES MOINES, Iowa (AP)—Nikita Khrushchev, beginning to show signs of heavy fatigue, started another rugged round of activities today with a 75-mile automobile trip for a close look at Iowa's fall corn.

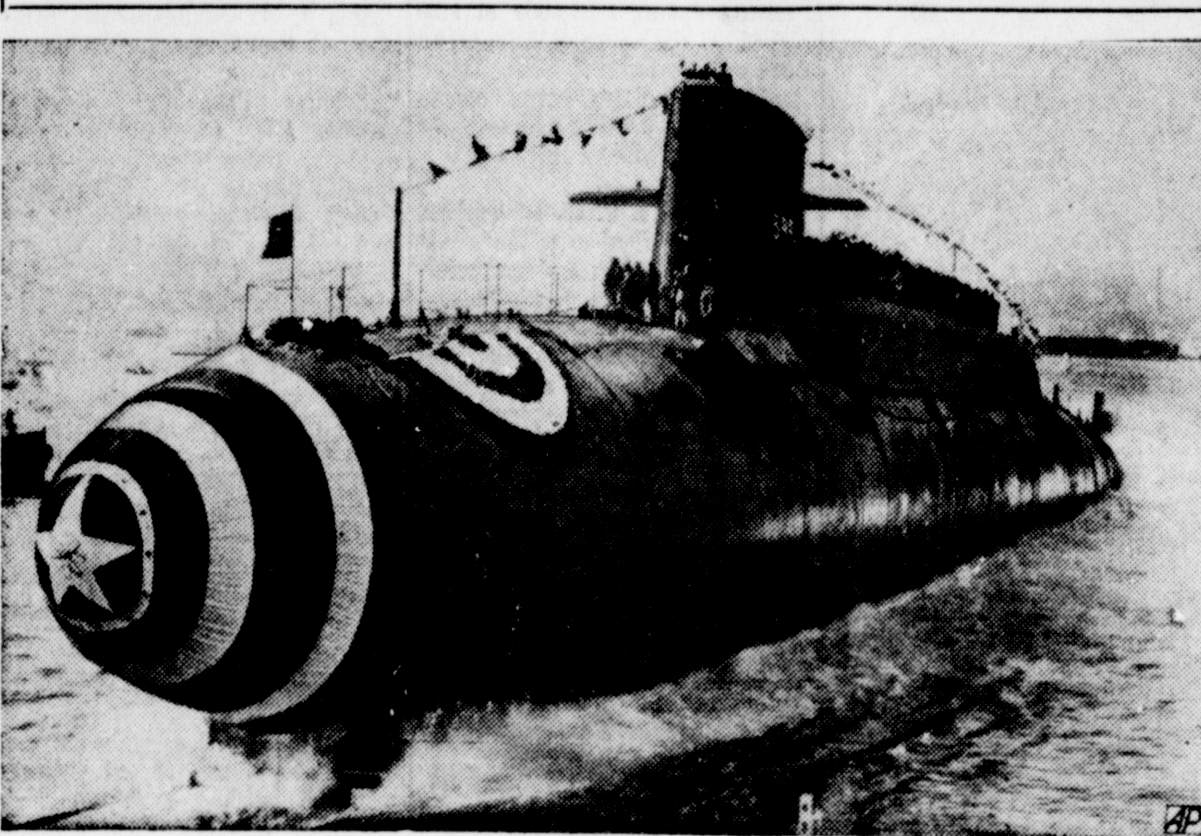

The Soviet Premier, though obviously happy at the friendly reception he received in America's corn belt, showed definite signs Tuesday night of being dog-tired after more than a week of strenuous touring, speaking and arguing.

Khrushchev travelled to the farm of Roswell (Bob) Garst near Coon Rapids for a look at American methods of raising corn and producing animal fodder, subjects close to Khrushchev's heart. Garst has been Khrushchev's guest in the Soviet Union several times.

The Khrushchev motorcade left for Coon Rapids, about an hour's drive away, in cool sunny weather.

## STATE'S WORK FOR RETARDED IS DESCRIBED

Harry Blank, executive director of the Pennsylvania Association for Mentally Retarded Children, spoke to a group of 35 at meeting Tuesday evening in the High Street school.

In his presentation, "An Overview of Mental Retardation in Pennsylvania," Mr. Blank said there are 300,000 mentally retarded persons in Pennsylvania, which follows the national trend of three percent of the total population. There are four state schools and three annexes. Five years ago there were only half a dozen classes for the trainable, whereas there are now 105.

The state program carried out by four main departments was outlined by Mr. Blank. The Department of Public Instruction provides money, guidance and materials to better equip teachers of the mentally retarded. Diagnostic clinics are another type of aid which is made available.

**Explains State Services**  
The Department of Public Welfare is responsible for all mentally retarded persons not taken care of by the public schools. There are 10,000 people in state institutions and 3,000 more on waiting lists. Many of those on the waiting lists cannot remain at home for medical or other reasons and are placed temporarily in foster homes or small institutions, the speaker continued.

The Department of Health sponsors clinics for expectant mothers where the known causes related to mental retardation are discussed and baby clinics where nurses and doctors can spot retardation early in infancy. Public health nurses are sent into the community to visit in homes and help parents to establish feeding and training routines or else to refer them to other agencies that continued.

**Library Week Is Proclaimed**

The Adams County Commission, at their meeting in the court house this morning, issued a proclamation setting aside October 18 through 24 as "Adams County Free Library Week," and met with engineers to consider acoustical problems in the court room.

The proclamation notes that the county library has grown to an institution with more than 28,000 books and with a circulation of nearly 100,000 volumes annually and that it maintains not only the main library but also 16 branches and adult stations throughout the county and sends the bookmobile to all schools during the school year.

Urging residents of the county to "inform themselves of the work of the library," the resolution terms the library "an essential part of the educational and cultural life of Adams County." The proclamation also commends the "Friends of the Library" for their assistance to the library.

The acoustics problem in the court room was studied by Henry K. Owen and Robert Anderson of Buchart Associates, York. The engineers, following their visit to the court room, expressed the belief that the amount of "explosive noise" entering the court room from the streets below could be decreased. They plan to present a report to the commissioners in the near future.

## CHURCHMEN HOLD SESSION HERE TUESDAY

The need to integrate the work of the church into the community and the lives of its members was described by a number of speakers Tuesday at the 21st annual conference of the Mercersburg Synod of the United Church of Christ at Trinity United Church of Christ here.

The 277 representatives from 84 churches of the synod present for the all-day session were told by the Rev. Huber F. Klemme, Cleveland, executive secretary of the commission on social action: "We need to look at the work of nations in terms of Christian stewardship; we need to look at our community and ask, is it really a community in which everybody counts and is welcome? It comes back to all we do in our own jobs and our own life and the respect we have for people as children of God. In considering the problems of the world, let us remember that perhaps our smugness and our pride have contributed to what is happening in far distant places."

**More Concern About Earth**

Rev. Clarence Moats, Allentown, a member of the national board of the Churchmen's Brotherhood, said: "When we think of the Brotherhood we think of a select group of men, different because they have looked forward to integrate the work of the community in the work of the church. Those of you here today are here because you have been called of God. Down through the years the church has had men who have had the sense of being called. The fate of the human race lies in the integrated hearts and minds and souls of Christian men and women." He reported 1,000 chapters of the Brotherhood have been established so far, 34 so far this year.

Rev. Henry Schaeffer, Bethlehem, member of the commission on world service, said: "It has been said that it won't be long until there is a missile encircling the moon. ### To Help With Plans

Mr. Blank pointed out that the association does not like to keep people on the waiting lists, but there are not enough institutions. Steps are being taken to increase facilities and, in about two years, three new institutions will be ready providing 1,500 beds. Currently there is a bill before the Senate, having been passed by the House, which will convert a state tubercular hospital into a home for the mentally retarded, thus providing accommodations for 600 crib cases.

In summing up, Blank stressed that it isn't possible for the Pennsylvania Association for Retarded Children to provide all the facilities and services that are necessary, but that the organization is trying to come to a thorough understanding of what the needs are and then to plan with other organizations ways of providing the best care and facilities.

### PROCESSION ENDS 40 HOURS IN ST. ALOYSIUS

Twenty-six priests, approximately 60 members of the Holy Name Society and the altar boys of the parish participated in the procession held in connection with the solemn closing of the Forty Hours Devotion in St. Aloysius Catholic Church on Tuesday evening.

The closing service began with a procession of the men to the pews in the center aisle of the church. Francis Redding was cross bearer for the procession; Allen Ernst and James Weaver, acolytes. Thomas Gingrow and Clyde Rohrbaugh were the altar boys serving the priest; James Long and Larry Altoff were censer bearers and Robert Altoff was the incense bearer.

The Rev. Coleman McGorrell, Spring Grove, led the Rosary and Litany of Loretto. Following the "Veni Creator" by the choir, Father Joachim, a member of the Passionist Order from St. Joseph's Monastery, Baltimore, who conducted the Forty Hours Devotion, which began on Sunday morning, delivered the sermon. He urged his audience to "come frequently out of the world to visit Christ on the altar; you cannot possibly expect to spread the Light of Life without close association with Him. He is always ready to do good to you so that you may in turn take this good and return it to others about you. Reserve energy and guidance may be had from Christ in the Blessed Sacrament, Who has already won the victory."

**Attending Institute**  
"Pans Angelicus" by the choir followed the sermon, after which the visiting priests chanted the Litany of the Saints, with the Rev. Leo J. Krichen, Bonneauville, as leader. The procession followed, during which the traditional hymn "Pange Lingua" was sung and the service concluded with benediction of the Blessed Sacrament and "Holy God," the hymn of praise.

The Rev. Philip Gergen, New Oxford, was celebrant; the Rev. Leroy Spizak, and the Rev. William Sullivan, Gettysburg, were deacon and subdeacon; the Rev. Richard Hartnett, McSherrystown, was master of ceremonies. Other priests present in the sanctuary and participating in the procession were the Rt. Rev. Msgr. Patrick F. McGee, McSherrystown; the Rt. ## Governor Corrects Premier Of Russia

NEW YORK (AP) — Gov. Nelson A. Rockefeller says he wants to straighten out Soviet Premier Nikita Khrushchev on one important point.

Khrushchev has been speaking of capitalism versus communism. "This country does not have a capitalistic system of government," the millionaire New York governor said in a speech Tuesday night. "We have a democratic system of government. Capitalism is the economic and financial process which functions within our democratic system."

## FOUR BUCKNELL SOPH BACKS TO FACE BULLETS

LEWISBURG — Four sophomore backfield performers will be playing key roles when Bucknell's football team opens the 1959 season against Gettysburg in the 12th Annual Rotary Bowl Game at Hershey Stadium Saturday night at 8:30.

Halfbacks Ray Cosgrove of Pittsburgh, Ashton Ditka of Aliquippa and Bill Urich of Ligonier and fullback Ken Twiford of Philadelphia were fully tested in last week's scrimmage with Muhlenberg and are ready for their first taste of varsity action against the Bullets.

Cosgrove and Urich, two of the fleetest Bison backs in recent years, paced the attack against the Mules in the practice session and appear good bets for starting assignments Saturday night. Cosgrove scored twice on runs inside the 10-yard line and Urich picked up a single tally against the Mules.

Relying more on power rather than breakaway speed, Ditka has shown that he will be tough to stop this fall. Twiford, a converted quarterback, is at the number two fullback post behind veteran George Monclovich of Conemaugh and despite his lack of experience at the position he has given a good account of himself.

**Veterans Ready**  
The performances of these sophomore backs in practice sessions have drawn praise from Coach Bob Odell and have made the Bison backfield considerably stronger than last year's. Junior Paul Terhes of Milmont Park, an All-East quarterback candidate, heads the starting unit and three lettermen halfbacks, Ray Hettche of Baltimore, Mickey Melberger of West Pittston and Marty Pope of Sunbury, will also be ready for heavy duty.

Six of the seven starting assignments on the line will probably go to senior lettermen in the Gettysburg opener. Ends Jack Eachus of Phoenixville and Dennis Cox of Baltimore, Md., tackle Bob Patzwall of Baltimore, Md., guards John Bergfeld of Ft. Lauderdale, Fla., and Tony Rinaldo of Elizabeth, N. J., and Captain-center Larry Mathias of Reading are the mainstays of the forward wall. Junior tackle Dick Bourdeau of Woodmont, Conn., is the lone newcomer up front.

Gettysburg holds a 3-2 edge in five previous Rotary Bowl meetings between the two teams, but the Bisons hold a 27-14-2 margin in the 67-year old series. The Bullets took home a 6-0 decision on a mud soaked field last year.

## Arrest Man For Fatal Beating

At the same time Tuesday, a police teletype was sent out for the arrest of Mercedes Laboy 21, also of Reading.

Feltman said that Laboy became enraged when he found no money and started beating Gray with his fists. Feltman also accused Luego of beating the man.

## FIRE DESTROYS OLD DWELLING

Fire Monday night seriously damaged the century-old residence of Mr. and Mrs. Emory Maul, Thomasville R. 1, near Holtzschwamm Church.

The blaze was discovered about 8:30 p.m. by Ervin Martin, who was at his farm a half mile way. Mrs. Martin called East Berlin and Abbottstown firemen while her husband drove to the Maul home.

The rear wall of the two-and-one-half story, siding-covered log house was in flames when Martin, other neighbors and early-arriving firemen began carrying furniture to safety. Much of the furniture on the first floor was saved from damage, according to a member of the Maul family.

Nobody was home when the fire broke out. Melvin Eisenhart, East Berlin's assistant fire chief, said firemen were on the scene from 9:40 p.m. to 2 a.m. fighting the blaze with hose lines from their truck tanks, replenished from a nearby farm pond.

He said origin of the blaze was not determined. Eisenhart said he and East Berlin Fire Chief Earl Zeigler estimated the damage somewhere between \$7,000 and \$8,000.

bearers were John Newman, Albert Hahn, George Brown Jr., George Brown Sr., Joseph Reaver and Raymond Wagner.

PROCESSION  
ENDS 40 HOURS  
IN ST. ALOYSIUS

Twenty-six priests, approximately 60 members of the Holy Name Society and the altar boys of the parish participated in the procession held in connection with the solemn closing of the Forty Hours Devotion in St. Aloysius Catholic Church on Tuesday evening.

The closing service began with a procession of the men to the pews in the center aisle of the church. Francis Redding was cross bearer for the procession; Allen Ernst and James Weaver, acolytes. Thomas Grogan and Clyde Rohrbach were the altar boys serving the priest; James Long and Larry Altoff were censer bearers and Robert Altoff was the incense bearer.

The Rev. Coleman McGorill, Spring Grove, led the Rosary and Litany of Loretto. Following the "Veni Creator" by the choir, Father Joachim, a member of the Passionist Order from St. Joseph's Monastery, Baltimore, who conducted the Forty Hours Devotion, which began on Sunday morning, delivered the sermon. He urged his audience to "come frequently out of the world to visit Christ on the altar; you cannot possibly expect to spread the Light of Life without close association with Him. He is always ready to do good to you so that you may in turn take this good and return it to others about you. Reserve energy and guidance may be had from Christ in the Blessed Sacrament, Who has already won the victory."

**Attending Institute**  
"Pans Angelicus" by the choir followed the sermon, after which the visiting priests chanted the Litany of the Saints, with the Rev. Leo J. Krichen, Bonneauville, as leader. The procession followed, during which the traditional hymn "Pange Lingua" was sung and the service concluded with benediction of the Blessed Sacrament and "Holy God," the hymn of praise.

The Rev. Philip Gergen, New Oxford, was celebrant; the Rev. Leroy Spizak, and the Rev. William Sullivan, Gettysburg, were deacon and subdeacon; the Rev. Richard Hartnett, McSherrystown, was master of ceremonies. Other priests present in the sanctuary and participating in the procession were the Rt. Rev. Msgr. Patrick F. McGee, McSherrystown; the Rt. Rev. Msgr. William Culhane and the Rev. David Shum, Mt. St. Mary's, Emmitsburg; the Rev. Richard Zimmerman, the Rev. Joseph G. Gotwalt, the Rev. John Greaney, Hanover; the Rev. Francis Labout, McSherrystown; the Rev. Salvatore Zangari, Shippensburg; the Rev. Anthony Topper, Mt. Alto; the Rev. Joseph Keely, Waynesboro; the Rev. Louis G. Yeager, Buchanan Valley; the Rev. By BEN BURROUGHS  
"BLESSING OF NATURE"

Who can deny the splendor of  
... a clear brisk autumn day  
... when leaves are changing  
colors and ... the breeze blows  
cares away ... I find untold  
enjoyment when ... I view  
Dame Nature's art ... she  
uses magic paint to brush ...  
the cobwebs from any heart  
... a walk into a wooded land  
... is tonic for my soul ...  
for there I find contentment  
rare ... and faith to reach  
my goal ... God gives us  
many wondrous things ... to  
help us weather strife ... with-  
in our reach is joy supreme  
... to make a happy life ...  
and so I try my level best ...  
to use what God bestows ...  
and in this way I find that I  
... can temper all my woes  
... so when the leaves turn  
colors ... I roam in nature's  
nest ... to gather priceless  
treasures and ... make ready  
for life's test.

Governor Corrects  
Premier Of Russia

NEW YORK (AP) — Gov. Nelson A. Rockefeller says he wants to straighten out Soviet Premier Nikita Khrushchev on one important point.

Khrushchev has been speaking of capitalism versus communism. "This country does not have a capitalistic system of government," the millionaire New York governor said in a speech Tuesday night. "We have a democratic system of government. Capitalism is the economic and financial process which functions within our democratic system."

FOUR BUCKNELL  
SOPH BACKS TO  
FACE BULLETS

LEWISBURG — Four sophomore backfield performers will be playing key roles when Bucknell's football team opens the 1959 season against Gettysburg in the 12th Annual Rotary Bowl Game at Hershey Stadium Saturday night at 8:30.

Halfbacks Ray Cosgrove of Pittsburgh, Ashton Ditka of Aliquippa and Bill Uch of Ligonier and fullback Ken Twiford of Philadelphia were fully tested in last week's scrimmage with Muhlenberg and are ready for their first taste of varsity action against the Bullets.

Cosgrove and Uch, two of the fleetest Bison backs in recent years, paced the attack against the Mules in the practice session and appear good bets for starting assignments Saturday night. Cosgrove scored twice on runs inside the 10-yard line and Uch picked up a single tally against the Mules.

Relying more on power rather than breakaway speed, Ditka has shown that he will be tough to stop this fall. Twiford, a converted quarterback, is at the number two fullback post behind veteran George Monclivich of Conemaugh and despite his lack of experience at the position he has given a good account of himself.

## Veterans Ready

The performances of these sophomore backs in practice sessions have drawn praise from Coach Bob Odell and have made the Bison backfield considerably stronger than last year's. Junior Paul Terbes of Milmont Park, an All-East quarterback candidate, heads the starting unit and three letterman halfbacks, Ray Hetteche of Baltimore, Mickey Melberger of West Pittston and Marty Pope of Sunbury, will also be ready for heavy duty.

Six of the seven starting assignments on the line will probably go to senior lettermen in the Gettysburg opener. Ends Jack Eachus of Phoenixville and Dennis Cox of Baltimore, Md., tackle Bob Patzwall of Baltimore, Md., guards John Bergfeld of Ft. Lauderdale, Fla., and Tony Rinaldo of Elizabeth, N. J., and Captain-center Larry Mathias of Reading are the mainstays of the forward wall. Junior tackle Dick Bourdeau of Woodmont, Conn., is the lone newcomer up front.

Gettysburg holds a 3-2 edge in five previous Rotary Bowl meetings between the two teams, but the Bisons hold a 27-14-2 margin in the 67-year old series. The Bullets took home a 6-0 decision on a mud soaked field last year.

**QUITS RED IDEA**

Petrulli's lawyer, Seymour Morgenroth, said after Petrulli's arrival from the Soviet Union: "He's still a little mixed up."

Arrest Man For  
Fatal Beating

READING, Pa. (AP) — Police have arrested Angelo Luego, 31, of Reading, in connection with the fatal beating of Whitesel Gray, 62.

At the same time Tuesday, a police teletype was sent out for the arrest of Mercedes Laboy 21, also of Reading.

Both Luego and Laboy are Puerto Ricans.

Gray was found dying on a vacant lot here early Monday. He was rushed to a hospital where he died two hours after he was admitted.

Detective Capt. John Feltman said that Gray was asleep on a bench when Laboy took his wallet, then searched him for money.

Feltman said that Laboy became enraged when he found no money and started beating Gray with his fists. Feltman also accused Luego of beating the man.

FIRE DESTROYS  
OLD DWELLING

Fire Monday night seriously damaged the century-old residence of Mr. and Mrs. Emory Maul, Thomasville R. 1, near Holtzschwamm Church.

The blaze was discovered about 8:30 p.m. by Ervin Martin, who was at his farm a half mile way. Mrs. Martin called East Berlin and Abbotstown firemen while her husband drove to the Maul Home.

The rear wall of the two-and-one-half story, siding-covered log house was in flames when Martin, other neighbors and early-arriving firemen began carrying furniture to safety. Much of the furniture on the first floor was saved from damage, according to a member of the Maul family.

Nobody was home when the fire broke out. Melvin Eisenhart, East Berlin's assistant fire chief, said firemen were on the scene from 9:40 p.m. to 2 a.m. fighting the blaze with hose lines from their truck tanks, replenished from a nearby farm pond.

He said origin of the blaze was not determined. Eisenhart said he and East Berlin Fire Chief Earl Zeigler estimated the damage somewhere between \$7,000 and \$8,000.

bearers were John Newman, Albert Hahn, George Brown Jr., George Brown Sr., Joseph Reaver and Raymond Wagner.

## Out Of The Past

From the Files of the Star and Sentinel and The Gettysburg Times

TWENTY-FIVE YEARS AGO

**340 Italians Coming Here:** A special pilot car, bearing the colors of Gettysburg college, will go to Washington Monday to greet the 340 Italian students from eighteen Italian universities who will come to Gettysburg for an inspection of Gettysburg college and a tour of the battlefield Monday.

In the car will be Professor Albert Bachman, professor of Romance languages at the college; Charles W. Beachem, secretary of the alumni association; W. Ramsay Jones, president of the student body, and a reporter. The welcome and reception here is under the auspices of the entire community, the college, Rotary and Lions clubs, the Chamber of Commerce and other organizations.

**Plan Tribute In County For S.S. Teachers:** Plans for Adams county's participation in a nationwide Recognition Day for Sunday School teachers were discussed at a meeting of the general committee of the Adams County Sabbath school association at the Y.W.C.A. Friday evening. T. J. Winebrenner, of Gettysburg, general chairman of the committee, presided.

The local observance of Sunday School teachers Recognition Day will be held Saturday evening, October 6, probably at St. James Lutheran church. At that time tribute will be paid to every Sunday School teacher in the county. Similar services will be held throughout the United States on the same evening honoring the more than 2,000,000 Sunday school teachers in the nation.

**Police Arrest Bruno Hauptmann, 35, German Alien, Charged with Extortion In Lindbergh Kidnapping Case:** New York, September 21 (AP) — A stolid, mild-mannered German, who fidgeted during extensive questioning in a police line-up, displayed no emotion today when a magistrate held him without bail on a charge of receiving \$50,000 paid by Col. Charles A. Lindbergh two years ago in a futile attempt to ransom his kidnapped son.

The German, Bruno Richard Hauptmann, 35, had nothing to say except to give his consent to detention until Monday. This consent was necessary because the legal limit for holding a prisoner under a short affidavit is 45 hours.

Meanwhile an extradition warrant charging homicide was signed by Governor A. Harry Moore of New Jersey as the first step in an attempt to have Hauptmann taken to New Jersey.

**167th Anniversary Of Bender's Church To Be Observed Sunday:** The 167th anniversary of the founding of Bender's Lutheran church, near Biglerville, will be fittingly observed Sunday upon the occasion of the annual homecoming and day of service, the Rev. Henry W. Sernat, pastor, announced today.

The Rev. Mr. Sernat explained that in olden times, at the time of the church's founding, parishioners attended services with their lunch hampers, traveling to the church in spring wagons and other old fashioned means of transportation.

The pastor said the anniversary services this year will be similar in that parishioners will bring their lunches with them for a day of services.

Instead of listening to itinerant preachers as in years gone by, the Rev. Mr. Sernat said that sermons and addresses will be delivered by visiting ministers and guests.

**Twins, Knocked Down By Auto, Fracture Legs:** Six-year-old twin girls suffered identical injuries when they were struck by an automobile at the intersection of York and Stratton streets at 11:30 o'clock Friday morning.

The twins, Gladys M. and Doris Woodward, daughters of Mr. and Mrs. William Woodward, who reside at Fourth and Railroad streets, both suffered fractures of the right femur, the bone between the knee and hip.

## Today's Talk

**TIME, THE GREAT BENEFACITOR**  
I have mentioned a recent book by Robert Updegraff which he named "All the Time You Need." I have been thinking a great deal about this book and its interesting contents. How true it is that we have all the time we need — and perhaps much more than we need in which to round out our life.

"All the Time You Need" is one of the best inspiring books I have come across in a long time. The author has devoted many years to the gathering of examples and ideas that give substance to the book itself. Why waste such a gift, however? If we took care to enrich our mind with but a fraction of the time that is ours for the profitable use of this time, we will have done well.

What would we do with ourselves were we not tied up to this great gift of time, and allowed to use it to the full of our desire? There is so much to life that we just let pass us with no apparent misgiving. Yet, there is for us use in all its abundance. The figure of that old bearded gentleman, with which we are well acquainted, is one worth cultivating. He is well named "Father Time."

Is there a greater gift than this same character, made famous by the comic artists and a multitude of worthy writers? When we are full of worthy desires, old Father Time tickles us under the chin and says, "Get going, friend; get going!"

Tomorrow Mr. Adams will talk on the subject: "Tree Leaves Talk."

## Just Folks

**A SONG**  
Over the road to glory,  
Over the hills to fame,  
Telling life's little story,  
Playing life's little game;  
Some of us brave and cheerful,  
Some of us worn and sad,  
Some of us, O, so tearful!  
Some of us, O, so glad!

Over the road to laughter,  
Over the road to song,  
Over the valley of resting after  
Treading the hills of wrong,  
Merry and sad we wander,  
Grieving and glad we go  
To the heaven of peace, off yonder,  
The calm of the after glow.

Then let us be brave in our treading,  
And calm in our grieving, too;  
And let us have done with dreading  
As darkness we wander through,

For there is rest for the weary,  
And joy for the sorrowing,  
And there, though today be dreary,  
Some time we shall gayly sing.

## DYKES SIGNED TO AGAIN HEAD DETROIT CLUB

**By DAVE DILES**  
Associated Press Sports Writer  
DETROIT (AP) — Pitcher Jim Bunning and outfielder Charlie Maxwell became the top attractions today as Jimmie Dykes began thinking about ways to improve the Detroit Tigers in 1960.

Dykes was rehired Monday to manage the club he led out of the American League cellar into first division respectability.

Dykes feels the club must part with some of its regulars and change its front line in order to become a contender in the American League. A thorough shakeup in the pitching department will be his first order of business once the 1959 season is over.

**Coaching Changes**  
He left the door open for some possible changes in coaching, too. Billy Hitchcock, Willis Hudlin and Tommy Henrich now serve as Tiger coaches. It is known that Dykes would like to hire Luke Appling, the old Chicago White Sox shortstop who played under Dykes for many seasons.

It becomes Dykes' job to lift the Tigers into a contending position in 1960, and the assignment—one that cost Bucky Harris, Jack Tighe and Bill Norman their jobs in the last three years—is a tough one.

"It's not gonna be easy," was Dykes' only comment.

The box office is open daily except Sunday from 12:30 p.m. until 9:30 p.m.

All the operas will be performed in the original Italian language.

Felix W. Salmaghi, general manager of the company, has engaged the following roster of artists for the tour: Susan Banks-Smith, Olivia Bonelli, Anita D'Arte, Robert Falk, Thomas Hageman, Josephine Guido, John Modenes, Anthony Palmeri, Herman Pelayo, Rudolf Petrak, Cladio Raublais, Sara Rhoves, Eddie Ruhl, Marilyn Sofia, Mr. Petrak will also be artistic director.

## Calhoun, Ellis Battle Tonight

CHICAGO (AP)—Veteran Rory Calhoun of White Plains, N.Y., and young Rudy Ellis of South Haven, Mich., meet in a 10-round middleweight bout in Chicago Stadium tonight.

Ellis, a 23-year-old who punched Bobby Boyd into retirement last month, hopes to use Calhoun as a stepping stone. The fight will be televised nationally (ABC-9 p.m. EST).

Ellis, a native Chicagoan, has a 17-2 record and 10 of his victories have been by KO's.

Calhoun, who will be 25 later this month, turned pro five years ago and has compiled a 29-7-2 record.

## STOLEN SIGN, HOMER UPSET GIANTS 5 TO 4

**By JOE MOOSHIL**  
Associated Press Sports Writer  
CHICAGO (AP)—A stolen sign by a veteran and a two-out ninth inning homer by a rookie. That's the story that will haunt the San Francisco Giants this winter.

The Giants were all but eliminated from the National League pennant race Tuesday when George Altman crashed a two-run homer to give the Chicago Cubs a 5-4 triumph over the once hopeful Giants.

Altman was at the plate with an 0-1 count on him when Alvin Dark, who had led off with a double, intercepted the Giant catcher's signal and flashed the fast ball sign to Altman. Sam Jones delivered. It was fast, and Altman swung. The ball traveled high and far into the center field bleachers and with it went San Francisco's pennant hopes.

Jones made a gesture of throwing his glove at Altman as the Cub outfielder rounded first, but the Giant pitcher thought better, walked off the field slowly and gave first base a swift kick.

The Giants retain a mathematical chance for the flag but they not only have to win their remaining four games, they also must hope for the complete collapse of both Milwaukee and Los Angeles.

Manager Bill Rigney, a talkative optimist, had little to say. "There's no doubt about it, we'll have to win the rest," he said. "None of the players had anything to say."

## Crash Causes Fiery Chain Of Events

PHILADELPHIA (AP)—A tractor-trailer carrying a load of wooden telephone booths to Harrisburg crashed into an iron trolley pole Tuesday setting off a fiery chain of events.

The tractor of the truck turned over. Gasoline gushed down the street from a shattered tank and ran around a corner where a milk truck was halted for a stop light.

A spark from a wheel of a trolley car moving south past the trailer truck ignited the spilled gasoline.

Flames leaped two stories high around the tractor-trailer and raced down the gutter and around the corner igniting the milk truck.

The drivers escaped uninjured.

## WARREN SPAHN SAYS HE'S PAID TO WIN GAMES

**By JACK HAND**  
Associated Press Sports Writer  
PITTSBURGH (AP)—"I'm paid to win 20. That's what it amounts to. If I don't I have a bad year."

Warren Spahn stood in front of his locker in the Milwaukee clubhouse before a small knot of reporters after his No. 20 moved the Braves into a tie for the National League lead with the Los Angeles.

Naturally, they were prying into his reactions after hitting the 20-mark for the 10th year, a National League record for left-handers. They reminded him his career total of 266 victories tied the league southpaw mark set by old Eppa Rixey.

"What did Rixey throw?" Spahn asked some of the old timers. "He must have been a great pitcher but it's fantastic that he won more than Carl Hubbell, the Giants' old meal ticket."

**"Heard Of Rixey"**  
"Sure, I heard of Rixey before I got close to him. When I was a kid I remember seeing his name in the chewing gum cards. But I never saw him. Here I am winning more than a man like Hubbell. It's just hard to conceive that you could do it."

Spahn, still going strong at the age of 38, had missed twice on the way to his 20th victory before he finally beat Pittsburgh Monday night 8-6 with some ninth inning relief from Don McMahon.

"What real difference does it make whether it's 10 or 20?" he asked. "The big thing is that we are tied for first place. In a spot like this we've just got to win."

## TIGHT MONEY BECOMING NEW FACT OF LIFE

**By SAM DAWSON**  
AP Business News Analyst  
NEW YORK (AP)—Tight money is moving off the debating platform. It's getting to be an everyday fact of life.

If you want to buy a new home, you know about it. If you're looking for a new car on time payments, you're likely to find carrying charges a bit higher. If you want an installment loan from your bank to buy a new appliance or redecorate your house, it costs more—and your credit standing is examined more closely.

If you're a businessman needing a bank loan to carry inventories for the Christmas trade, you'll run into higher interest charges—and maybe find the banker more choosy about to whom he lends, as he has only so much money to parcel out.

**Too Many Borrowers**  
Banks and other lenders say too many persons—including Uncle Sam—are wanting to borrow money just now. Americans aren't saving as much of their incomes as before. So the lenders don't have enough funds to meet the increased demand. Thus money is tight and interest rates rising.

About the only things now going for less than 5 per cent interest are the shortest-term Treasury securities. They are commanding about 4 per cent, higher than any time since the bank holiday in 1933.

Tightening of money comes at this time of the year because banks are called upon to finance movement of crops from farms and through processing plants, and because manufacturers borrow to produce fall and winter goods, and merchants borrow to buy and carry these goods until the Christmas trade—they hope—empties their shelves again.

**Eased Only A Little**  
The Federal Reserve Board has eased up on credit just enough to give banks lendable funds for what it considers necessary for these legitimate seasonal needs, but no more, holding that more than that would only set off a speculative boom, breeding place for higher prices.

The board's fear of another round of inflation is based on several things. The general belief that the end of the steel strike will see a quick spurt in business activity; continuing wage hikes in other industries than steel; steadily rising installment debt; slow but steady increases in consumer prices; and the increased demand for bank loans.

After Christmas, the demand for funds usually drops, both from business and from individuals busy paying off incurred debts. This could ease the credit squeeze automatically—unless a big boom is under way.

Many in the stock market seem to feel that the board is going to

## House Approves Wage Tax Levy

HARRISBURG (AP)—The House has approved a bill giving second class townships authority to levy wage taxes.

This was the same bill passed earlier by the Legislature. It was recalled from the governor's desk to add a provision protecting the right of a school district in the township to levy the same tax.

The House voted the amended measure Monday night 174-13 and sent it to the Senate for further action.

There is a 1 per cent ceiling on the wage tax that may be imposed in any one political subdivision.

Under the provision added, no second class township may impose a wage tax if its school district already is collecting the 1 per cent—unless the district agrees to reduce its rate. This prohibition is effective for five years.

## BOND BILL IS SIGNED BY IKE

WASHINGTON (AP)—President Eisenhower Tuesday signed a bill permitting higher interest payment on government savings bonds. Simultaneously he approved Treasury plans to raise the rate by one-half per cent.

The limited authority to increase the return on the "E" and "H" issues was as far as Congress would go toward meeting Eisenhower's insistent request for complete removal of the ceiling—now 4 1/2 per cent—on all long-term government issues.

In signing the bill Eisenhower said: "In approving the recommendations of the secretary of the Treasury for a rate of 3 1/2 per cent, I stated:

"To my mind there is no better way of saving, no more effective way of strengthening our power for peace, than to own United States savings bonds.

"To buy these bonds is to express faith in America."

Friday evening. T. J. Winebrenner, of Gettysburg, general chairman of the committee, presided.

The local observance of Sunday School teachers Recognition Day will be held Saturday evening, October 6, probably at St. James Lutheran church. At that time tribute will be paid to every Sunday School teacher in the county. Similar services will be held throughout the United States on the same evening honoring the more than 2,000,000 Sunday school teachers in the nation.

Police Arrest Bruno Hauptmann, 35, German Alien, Charged with Extortion In Lindbergh Kidnaping Case: New York, September 21 (AP) — A stolid, mild-mannered German, who fidgeted during extensive questioning in a police line-up, displayed no emotion today when a magistrate held him without bail on a charge of receiving \$50,000 paid by Col. Charles A. Lindbergh two years ago in a futile attempt to ransom his kidnapped son.

The German, Bruno Richard Hauptmann, 35, had nothing to say except to give his consent to detention until Monday. This consent was necessary because the legal limit for holding a prisoner under a short affidavit is 45 hours. Meanwhile an extradition warrant charging homicide was signed by Governor A. Harry Moore of New Jersey as the first step in an attempt to have Hauptmann taken to New Jersey.

167th Anniversary Of Bender's Church To Be Observed Sunday: The 167th anniversary of the founding of Bender's Lutheran church, near Biglerville, will be fittingly observed Sunday upon the occasion of the annual homecoming and day of service, the Rev. Henry W. Sternat, pastor, announced today.

The Rev. Mr. Sternat explained that in olden times, at the time of the church's founding, parishioners attended services with their lunch hampers, traveling to the church in spring wagons and other old fashioned means of transportation.

The pastor said the anniversary services this year will be similar in that parishioners will bring their lunches with them for a day of services.

Instead of listening to itinerant preachers as in years gone by, the Rev. Mr. Sternat said that sermons and addresses will be delivered by visiting ministers and guests.

## Today's Talk

## TIME, THE GREAT BENEFACITOR

I have mentioned a recent book by Robert Updegraff which he named "All the Time You Need." I have been thinking a great deal about this book and its interesting contents. How true it is that we have all the time we need — and perhaps much more than we need in which to round out our life.

"All the Time You Need" is one of the best inspiring books I have come across in a long time. The author has devoted many years to the gathering of examples and ideas that give substance to the book itself. Why waste such a gift, however? If we took care to enrich our mind with but a fraction of the time that is ours for the profitable use of this time, we will have done well.

What would we do with ourselves were we not tied up to this great gift of time, and allowed to use it to the full of our desire? There is so much to life that we just let pass us with no apparent misgiving. Yet, there it is for our use in all its abundance. The figure of that old bewhiskered gentleman, with which we are well acquainted, is one worth cultivating. He is well named "Father Time."

Is there a greater gift than this same character, made famous by the comic artists and a multitude of worthy writers? When we are full of worthy desires, old Father Time tickles us under the chin and says, "Get going, friend; get going!"

Tomorrow Mr. Adams will talk on the subject: "Tree Leaves Talk."

## Just Folks

A SONG  
Over the road to glory,  
Over the hills to fame,  
Telling life's little story,  
Playing life's little game;  
Some of us brave and cheerful,  
Some of us worn and sad,  
Some of us, O, so tearful,  
Some of us, O, so glad!

Over the road to laughter,  
Over the road to song,  
Over the valley of resting after  
Treading the hills of wrong,  
Merry and sad we wander,  
Grieving and glad we go  
To the heaven of peace, off  
yonder,  
The calm of the after glow.

Then let us be brave in our  
treading,  
And calm in our grieving, too;  
And let us have done with  
dreading  
As darkness we wander  
through,  
For there is rest for the weary,  
And joy for the sorrowing,  
And there, though today be  
dreary,  
Some time we shall gayly sing.

CHICAGO (AP)—A stolen sign by a veteran and a two-out ninth inning homer by a rookie. That's the story that will haunt the San Francisco Giants this winter.

The Giants were all but eliminated from the National League pennant race Tuesday when George Altman crashed a two-run homer to give the Chicago Cubs a 5-4 triumph over the once hopeful Giants.

Altman was at the plate with an 0-1 count on him when Alvin Dark, who had led off with a double, intercepted the Giant catcher's signal and flashed the fast ball sign to Altman. Sam Jones delivered. It was fast, and Altman swung. The ball traveled high and far into the center field bleachers and with it went San Francisco's pennant hopes.

Jones made a gesture of throwing his glove at Altman as the Cub outfielder rounded first, but the Giant pitcher thought better, walked off the field slowly and gave first base a swift kick.

The Giants retain a mathematical chance for the flag but they not only have to win their remaining four games, they also must hope for the complete collapse of both Milwaukee and Los Angeles. Manager Bill Rigney, a talkative optimist, had little to say. "There's no doubt about it, we'll have to win the rest," he said. None of the players had anything to say.

## Crash Causes Fiery Chain Of Events

PHILADELPHIA (AP)—A tractor-trailer carrying a load of wooden telephone booths to Harrisburg crashed into an iron trolley pole Tuesday setting off a fiery chain of events.

The tractor of the truck turned over. Gasoline gushed down the street from a shattered tank and ran around a corner where a milk truck was halted for a stop light. A spark from a wheel of a trolley car moving south past the trailer truck ignited the spilled gasoline. Flames leaped two stories high around the tractor-trailer and raced down the gutter and around the corner igniting the milk truck. The drivers escaped uninjured.

## WARREN SPAHN SAYS HE'S PAID TO WIN GAMES

By JACK HAND

Associated Press Sports Writer  
PITTSBURGH (AP)—"I'm paid to win 20. That's what it amounts to. If I don't I have a bad year."

Warren Spahn stood in front of his locker in the Milwaukee clubhouse before a small knot of reporters after his No. 20 moved the Braves into a tie for the National League lead with the Los Angeles. Naturally, they were prying into his reactions after hitting the 20-mark for the 10th year, a National League record for left-handers. They reminded him his career total of 266 victories tied the league southpaw mark set by old Eppa Rixey.

"What did Rixey throw?" Spahn asked some of the old timers. "He must have been a great pitcher but it's fantastic that he won more than Carl Hubbell, the Giants' old meat ticket."

## "Heard Of Rixey"

"Sure, I heard of Rixey before I got close to him. When I was a kid I remember seeing his name in the chewing gum cards. But I never saw him. Here I am winning more than a man like Hubbell. It's just hard to conceive that you could do it."

Spahn, still going strong at the age of 38, had missed twice on the way to his 20th victory before he finally beat Pittsburgh Monday night 8-6 with some ninth inning relief from Don McMahon.

"What real difference does it make whether it's 10 or 20?" he asked. "The big thing is that we are tied for first place. In a spot like this we've just got to win."

## TIGHT MONEY BECOMING NEW FACT OF LIFE

By SAM DAWSON

AP Business News Analyst  
NEW YORK (AP)—Tight money is moving off the debating platform. It's getting to be an everyday fact of life.

If you want to buy a new home, you know about it. If you're looking for a new car on time payments, you're likely to find carrying charges a bit higher. If you want an installment loan from your bank to buy a new appliance or redecorate your home, it costs more—and your credit standing is examined more closely.

If you're a businessman needing a bank loan to carry inventories for the Christmas trade, you'll run into higher interest charges—and maybe find the banker more choosy about to whom he lends, as he has only so much money to parcel out.

## Too Many Borrowers

Banks and other lenders say too many persons—including Uncle Sam—are wanting to borrow more money now. Americans aren't saving as much of their incomes as before. So the lenders don't have enough funds to meet the increased demand. Thus money is tight and interest rates rising.

About the only things now going for less than 5 per cent interest are the shortest-term Treasury securities. They are commanding about 4 per cent, higher than any time since the bank holiday in 1933.

Tightening of money comes at this time of the year because banks are called upon to finance movement of crops from farms and through processing plants, and because manufacturers borrow to produce fall and winter goods, and merchants borrow to buy and carry these goods until the Christmas trade—they hope—empties their shelves again.

## Eased Only A Little

The Federal Reserve Board has eased up on credit just enough to give banks lendable funds for what it considers necessary for these legitimate seasonal needs, but no more, holding that more than that would only set off a speculative boom, breeding place for higher prices.

The board's fear of another round of inflation is based on several things: The general belief that the end of the steel strike will see a quick spurt in business activity; continuing wage hikes in other industries than steel; steadily rising installment debt; slow but steady increases in consumer prices; and the increased demand for bank loans.

After Christmas, the demand for funds usually drops, both from business and from individuals busy paying off incurred debts. This could ease the credit squeeze automatically—unless a big boom is under way.

Many in the stock market seem to feel that the board is going to

Mrs. Rial and Mrs. Shaughnessy gave several useful suggestions on transplanting and cultivation of plants. Mrs. Frank M. Butler had nine horticulture exhibits in the Carroll Garden Show held in Westminster September 17 and received nine awards. Mrs. Allen Feeser won a blue ribbon for her entry in the artistic class in the same show.

The October meeting will be held at the home of Mrs. Edward T. Richardson, Littlestown. Mrs. Frank Harris of the Mt. Airy Garden Club will be guest speaker.

## House Approves Wage Tax Levy

HARRISBURG (AP)—The House has approved a bill giving second class townships authority to levy wage taxes.

This was the same bill passed earlier by the Legislature. It was recalled from the governor's desk to add a provision protecting the right of a school district in the township to levy the same tax.

The House voted the amended measure Monday night 174-13 and sent it to the Senate for further action.

There is a 1 per cent ceiling on the wage tax that may be imposed in any one political subdivision. Under the provision added, no second class township may impose a wage tax if its school district already is collecting the 1 per cent—unless the district agrees to reduce its rate. This prohibition is effective for five years.

## BOND BILL IS SIGNED BY IKE

WASHINGTON (AP)—President Eisenhower Tuesday signed a bill permitting higher interest payment on government savings bonds. Simultaneously he approved Treasury plans to raise the rate by one-half per cent.

The limited authority to increase the return on the "E" and "H" issues was as far as Congress would go toward meeting Eisenhower's insistent request for complete removal of the ceiling—now 4 1/2 per cent—on all long-term government issues.

In signing the bill Eisenhower said:

"In approving the recommendations of the secretary of the Treasury for a rate of 3 1/2 per cent, I stated:

"To my mind there is no better way of saving, no more effective way of strengthening our power for peace, than to own United States savings bonds."

"To buy these bonds is to express faith in America."

## Braves Win Again While Cards Jar Dodgers And Giants Lose To Chicago

**By ED WILKS**  
Associated Press Sports Writer  
Remember the last time the National League had a three-team fight for the flag? It was 1956 and in the final week fourth-place St. Louis crashed Milwaukee out of it while the Dodgers stepped over seventh-place Pittsburgh to the pennant.

## OKLAHOMA IS PICK IN TV GRID BATTLE

**By HAROLD CLAASSEN**  
Associated Press Sports Writer  
NEW YORK (AP)—Those scientists Nikita Khrushchev always is talking about did hit the moon with one of their rockets. But could they score a touchdown? The Soviet visitor should take an hour or two off this weekend and see how its done.

**Giants Fall Behind**  
In keeping with that pennant pattern of three years ago, third-place San Francisco plunged two games behind with a 5-4 loss to the Cubs.

Each of the contenders has four games left. All finish the current series today. Then the Braves go home for a three-game weekend series with last-place Philadelphia while the Dodgers shift to Chicago and the Giants switch to St. Louis in the final run to decide who plays the Chicago White Sox in the World Series a week from today.

Milwaukee's late surge to become the first three-in-a-row NL winner since the Cardinals of 1942-43-44 now has given the Braves a four-game streak and 13 victories in their last 15 games.

**Subdue Late Rally**  
To do it, they had to stand off a ninth-inning Pirate rally for the second night in a row. Lefty Juan Pizarro (6-2) beat the Bucs a third time after building a 4-1 cushion with a two-out, two-run double as the Braves scored three in the seventh off Harvey Haddix (12-12).

Reliever Don McMahon finally nailed it, giving up a pair of scoring singles by Smokey Burgess and Don Hoak before striking out pinch-hitter Rocky Nelson for the final out.

Andy Pafko doubled and John Demerit, replacing injured Bill Bruton in center field, beat out a bunt single for the Braves in the clinching seventh. Then, after Del Crandall, who had hit his 21st homer in the fifth, hit into a doubleplay and Felix Mantilla got an intentional pass, Pizarro sliced his double just inside the left field line. Bobby Avila, who tripled in the first and scored on Hank Aaron's fly, then singled in the final run off Haddix.

**Dodgers Blew Leads**  
Milwaukee took more than a percentage-point lead for the first time since June 30 as the Cardinals went to work on the Dodgers.

Los Angeles, making it close on rookie Frank Howard's pinch-hit, three-run homer in the ninth, chased nemesis Larry Jackson in the first inning, but blew 3-0 and 6-4 leads.

Hal Smith bombed starting Dodger southpaw Sandy Koufax with his first grand-slam homer in the first inning. After Gil Hodges' two-run, 24th homer gave the Dodgers the 6-4 edge in the third, the Cards came back with five runs in their half of the third.

Curt Flood's three-run homer set it off against losing reliever Chuck Churn (3-2). Joe Cunningham singled in the tying run in the frame and a double by ex-Dodger Gno Cimoli scored the lead run.

**4th In Row For Giants**  
The Cardinals won it with two runs in the fifth, getting the clincher on an error by Carl Furillo on Cimoli's RBI single.

The Giants dropped their fourth in a row on a two-run, two-out homer by rookie George Altman in the ninth. It came off Sam Sam Jones, working in relief and tagged with his 15th defeat, third in a row since winning his 20th.

Don Elston (9-8) was the winner in relief, coming on a two-run eighth when the Giants, who left the nine men on base, scored twice

for their only lead, 4-3. The Cubs took fifth place with the victory as Cincinnati fell to sixth with a two-night double-header loss at Philadelphia, 3-1 and 3-2.

The scoring will be done in about this fashion:

**Tigers Rated Tops**  
Louisiana State over Texas Christian: The Louisiana Tigers have been voted the nation's best and their ace is Billy Cannon. He'll have to live up to his name to pierce that tough Texas line.

Oklahoma over Northwestern: This could be Oklahoma's best team in recent years. It will have to be to get past Northwestern, the Big Ten's No. 1 darkhorse. This will be on your TV screen.

Southern California over Pittsburgh: This is a Friday night affair.

Princeton over Rutgers: These two teams started this football business almost a century ago and this is their 50th encounter. Rutgers has won only five and never two in a row. Princeton lost 28-0 a year ago.

Iowa over California: The Rose Bowl rivals of last January meet earlier this season but the result will be about the same.

Syracuse over Kansas: The Easterners are powerful and need only a quarterback to be great.

Wisconsin over Stanford: Dale Hackbart, Badger quarterback, can run, pass and kick.

Auburn over Tennessee: The Auburn line will shackle famed Billy Majors, the Vols' wheelhorse.

**Favor Irish**  
Notre Dame over North Carolina: The George Izo to Monty Sticks battery should add to the North Carolina woes. But it will be close with Jack Cummings in the hero's role.

Indiana over Illinois: A rare Big Ten victory for the Hoosiers.

Texas over Maryland: The middle of the Texas line is solid with Rene Ramirez the star of the backfield.

Wyoming over Air Force: The graduation losses of the Falcons were heavy. Wyoming on the way back to the top of the Skyline loop.

The scene is a San Francisco public course—Harding Park, and from there one of the pros can look across Lake Merced to the site of his greatest triumph four years ago.

For in 1955, a virtual unknown, Jack Fleck from Des Moines, beat the great Ben Hogan in a playoff for the U.S. Open title over the Olympic Club course. He hadn't won before and he hasn't won since.

When the 72-hole tournament starts, probably no one will consider him among the favorites in the 155-man field.

The entries include such stars as the present U.S. champion Billy Casper and the 1959 leading money winner Art Wall Jr., the Masters' champ.

**PHILS WIN 2; REDS IN SIXTH**  
PHILADELPHIA (AP) — The Philadelphia Phillies have ended their home season on a successful note.

The Phillies batted out 20 hits Tuesday night in sweeping a two-night doubleheader from Cincinnati 3-1 and 3-2, knocking the Reds into sixth place.

In the first game the Phillies scored a run in the second on Harry Anderson's double and pitcher Jim Owens (12-11) single. They added another in the fifth on a double by Joe Koppe and rounded out their scoring in the eighth on singles by Sparky Anderson and Owens and a wild pitch.

The Reds ruined Owens' shutout in the ninth when Johnny Temple doubled and scored on Gus Bell's single.

The Phillies rallied for two runs in the seventh inning of the nightcap for a come-from-behind victory. Sparky Anderson sparked the rally with a triple.

It has been 14 years since a Shippensburg High School football team defeated Gettysburg High but over Shippensburg way they feel the victory drought will come to an end this Friday evening when the Warriors meet the Greyhounds here.

The Hounds eked out a 6-0 victory in their opener against Littlestown and last week were tremendously improved in holding highly favored Susquehanna to a 6-6 deadlock.

Friday's game will mark the 32nd game in the series which began in 1920. The Warriors hold a 20-6 edge in triumphs, Shippensburg last winning in 1945 by a 35-14 score.

**Tied Last Year**  
Five games have ended in deadlocks, three in the last four years. The teams battled to a scoreless tie in the rain at Shippensburg last year.

Mike Small, veteran Warrior end, is expected to be ready for duty after missing the Westminster game because of a mild concussion suffered in practice.

**HEAVY TITLE FIGHT MAY BE NEXT JUNE 7**  
PHILADELPHIA (AP)—The return heavyweight fight between champion Ingemar Johansson and Floyd Patterson will be staged in Philadelphia's Municipal Stadium next June 7, providing two conditions are met, The Associated Press learned today.

A reliable source close to the Pennsylvania State Athletic Commission said that "according to Vincent Vellela we'll get the fight." Vellela is a director of Rosensohn Enterprises Inc., which was associated in the promotion of last June's match when Johansson dethroned Patterson.

But the source, who did not want to be identified, made it quite clear that Philadelphia would take the fight only if "Vellela and his group come out clean in the current investigation by the New York State Athletic Commission on the promotional angles of last June's fight."

"And a subsequent investigation by the Pennsylvania State Athletic Commission turns out okay," Johansson signed last Aug. 25 to defend his title in a return bout with Patterson. But at the time it was only specified that the bout would be held in the United States between next March 1 and June 15.

By JACK CLARY

In the 90 years since Princeton and Rutgers played the first intercollegiate football game, they have sandwiched 49 games between three major wars, several economic crises and a flock of football rule changes.

But the two schools go into game No. 50 Saturday at Princeton's Palmer Stadium with hardly a thought to that cold Nov. 6 back in 1869 when the two began the annual madness for 10 Saturdays each fall, and during the festive bowl days between Christmas and the New Year.

The series has seen football come from its rudimentary beginning on a barren field before a handful of spectators to its multi-decked stadia and millions of spectators each year, not to mention the millions more that watch each Saturday through television.

PHILADELPHIA (AP) — A return match between Reading's Henry Williams Jr. and North Hills' Stan Dudas for the Philadelphia PGA golf championships appears in the making.

Williams, the defending champion playing out of the Berkleigh Club, and Dudas, last year's runner-up for the title, led a field of 16 survivors into the third round today at the Philmont Country Club.

Williams got a scare in Tuesday's first round before he defeated President Eisenhower's occasional golfing partner, Gettysburg Dick Sleichter, 5 and 4. Williams had an easier time on the second round, as he shipped Johnny Hays of Riverton, N. J., also by 5 and 4.

Dudas, the medalist in this year's event, won by 5 and 4 over John Vasco of Lehigh C. C. in the morning round and by an identical score over Mike Rooney of Cool Creek in the afternoon.

**"BLACK SOX" GOT \$47,000 IN SCANDAL**  
By JOE REICHLER  
Associated Press Sports Writer

NEW YORK (AP) — Baseball's greatest gambling scandal, the "Black Sox" affair of 1919, saw only \$47,000 change hands to throw a World Series.

The eight accused players of the Chicago White Sox were supposed to have received \$100,000, but due to what was termed a "double cross," less than half that sum was involved.

Those allegedly behind the swindle included Arnold Rothstein, wealthy New York gambler; Abe Attell, former world featherweight boxing champion; Billy Maharg, another ex-fighter; and Bill Burns, former White Sox pitcher.

The money was to be paid in installments of \$15,000 after the first game, \$20,000 after the third game, \$25,000 on the morning of the fourth day, and the balance when the series ended.

**Cicotte Got \$10,000**  
Eddie Cicotte disclosed at the trial on charges of having accepted a bribe that he took \$10,000 as his share.

Joe Jackson, one of the eight, said he had demanded \$20,000 but he compromised for \$5,000.

Chick Gandil, ringleader of the eight, received the biggest take, \$20,000, according to court records. The others, with the exception of Buck Weaver, got amounts ranging from \$1,000 to \$5,000. The others accused Gandil, who was the payoff man, of crossing them on the money end of the deal, but Gandil swore that Attell was the one who was holding out.

**Attell Lied**  
Gandil probably was telling the truth. Attell had become involved when Burns, the originator of the scheme, had asked him to appeal to Rothstein to underwrite the swindle. Rothstein already had turned Burns down twice. Attell contracted to win him over.

Two days before the morning of the World Series, Attell showed Burns, Maharg and Gandil a telegram purporting to be from Rothstein, the signal to go ahead. Later developments proved Attell lied to the plotters. Rothstein actually had turned Attell down cold. There was no need to pay anybody off, he reasoned. He knew enough to assure him that all he had to do was bet on the Reds. He was supposed to have won \$200,000.

## BULLET FROSH START DRILLS; 48 CANDIDATES

Approximately 48 candidates reported to John Ridinger, Gettysburg freshman football coach, for the first day of frosh practices on Monday afternoon.

Coach Ridinger didn't want to come right out and make any comment as far as the team goes but did say they look like a fine group of men filled with enthusiasm. According to the physical report, the team will be well balanced.

Among the candidates is Bob Nyce, former Biglerville High School star. He is 6-2, weighs 163 pounds and is seeking and end berth.

The Little Bullets will hold afternoon sessions up to their opening game against the Bucknell yearlings in the annual Battlefield Bowl at Gettysburg High School Thursday night, October 15.

For the first time since Ridinger has taken over as head pilot, he will have two capable assistants, Barclay Boyd and Jules Prevost, two standouts from last season's varsity squad. Prevost is a senior. Boyd graduated last June.

**DODGERS FACE CARDS IN RACE FOR PENNANT**  
ST. LOUIS (AP) — Los Angeles faces the prospect tonight of winning — or else — against a team that served as pallbearers for the Milwaukee Braves here three years ago while the Dodgers were winning the pennant.

This time, the Braves are riding atop the National League standings, one game ahead of the Dodgers, with just four to play. And the Braves won't call at Busch Stadium, home of the St. Louis Cardinals, again this season.

**Nipped Braves**  
In 1956 the Braves came to St. Louis one game in front with three left, but finished one game behind the Dodgers, then in Brooklyn.

The Cards, all but assured of a seventh place finish this season, blew L.A. out of a tie for the lead Tuesday night with an 11-10 victory.

"We threw everything we had at them," said Redbird Manager Solly Hemus. "And that's the way it'll be the rest of the way. My club is ready to cut loose."

**Right-hander**  
Hemus plans to start young Bob Miller, a 20-year-old right-hander from St. Louis, against the Dodgers tonight.

Miller beat the Dodgers the last time he faced them. His overall record is 4-2 and he earned run average a tidy 3.05.

Doger Manager Walter Alston, who was philosophical about the loss that dumped his club into second place, will use Roger Craig (9-5 and 2.27 ERA).

By JERRY LISKA  
Associated Press Sports Writer

CHICAGO (AP) — The go-ro White Sox returned to find their city really gone in the wee hours this morning over Chicago's first American League pennant in 40 years.

Some 15,000 fans waited from before midnight to past 2 a.m. at the airport for the victorious Sox' return from Cleveland. Long before that, sirens had blasted out the news that the White Sox were in the World Series.

Tears of joy glistened in the eyes of both club Vice President Chuck Comiskey and Manager Al Lopez as the big four-engine plane wheeled into the arched setting at the airport.

**Hilarious Greeting**  
While the Chicago fire department band played and the thousands cheered, the players poured out of the plane to a hilarious greeting. It was almost 4½ hours after the White Sox had won their thrilling pennant-clincher from the Indians, 4-2, in Cleveland.

The loudest cheers went to Luis Aparicio, the phenomenal little shortstop, who started a game-ending double play; Al Smith, who made a great run-killing throw and hit a homer; and veteran Early Wynn, who got credit for the big win.

## White Sox Beat Tribe To Clinch First AL Pennant In 40 Years; 21st For Wynn

**By ED WILKS**  
Associated Press Sports Writer  
The White Sox did it. They did it like champs, clinching that long-awaited American League pennant in their final meeting with the one club that could snatch it from them.

They did it with a 4-2 victory over the second-place Indians at Cleveland Tuesday night, hauling in Chicago's first AL flag since 1919. They did it not with their magic singles, but with power—a pair of scoring doubles by Luis Aparicio and Billy Goodman, and successive sixth-inning home runs by Al Smith and Jim Rivera.

**Pitching And Defense**  
They did it with pitching and defense. Early Wynn, the old man the Indians didn't want, won his 21st, getting relief help from young Bob Shaw, the right-hander Detroit didn't want, and Gerry Staley, the reliever nobody wanted.

Staley, like Wynn a 39-year-old right-hander, wrapped it up, making his 65th trip from the bullpen this season in the ninth inning. With one pitch it was all over, with one out and the bases loaded.

Vic Power swung at that first pitch of Staley's, Aparicio gobbled it up at short, stepped on second and threw to first for the Sox' fourth doubleplay, the doubleplay that ended 40 years of waiting.

**Yanks Win Again**  
The victory gave the White Sox a 4½-game lead over the Indians, who have but four games to play. The Sox have three left—before playing the opening game of the World Series in Chicago's Comiskey Park a week from today.

The White Sox, who had lost two in a row as their pennant push sputtered, whipped the Indians 15-7 for the season. This one climaxed a drive that began with a four-game sweep at Cleveland in late August. They won nine of the 11 games they played at the Indians' park.

In the other AL games, New York whipped Washington 8-4, Detroit beat Kansas City 6-4 and Boston defeated Baltimore 4-3. Philadelphia swept a two-night pair from Cincinnati, 3-1 and 3-2, in the other NL action.

**JUAN PIZARRO HURLS BRAVES OVER BIG HUMP**  
By JACK HAND  
Associated Press Sports Writer

PITTSBURGH (AP) — Juan Pizarro, a young man who seems to profit by an annual trip to the minors, has pitched the Milwaukee Braves over the hump in the National League race. From now on it will be Bob Buhl, Lou Burdette and Warren Spahn with a one-game lead and four to play.

Manager Fred Haney has his pitching staff in enviable condition for the final four games that will determine whether the Braves are to win a third straight pennant.

The gamble was Tuesday night's start of Pizarro, a husky 22-year-old Puerto Rican. The left-hander came through, with ninth inning relief help from Don McMahon, to beat Pittsburgh 5-3.

**Buhl Hurls Tonight**  
Buhl (14-9) goes tonight in the finale with the Pirates. It will be Burdette (21-14), Spahn (20-15) and Buhl in the final three with the Phillies at home in Milwaukee.

"This fellow has the potential to be one of the greatest," said Haney of Pizarro. "It is all up to him. Sometimes he fires the ball. Sometimes he lobs it up. Sometimes he can't get it over. Tonight he was firing."

Pizarro was farmed out to Wichita in 1957 and again in 1958. This year he spent from June 7 to June 23 with Louisville where he pitched a no-hitter and other low-hit efforts.

Pizarro agreed that the stay in Louisville was a help to him.

A total of 8,284 miles were raced during 115 nights of harness racing at Yonkers, N. Y., Raceway this year.

## Braves Win Again While Cards Jar Dodgers And Giants Lose To Chicago

**By ED WILKS**  
**Associated Press Sports Writer**  
Remember the last time the National League had a three-team fight for the flag? It was 1936 and in the final week fourth-place St. Louis crashed Milwaukee out of it while the Dodgers stepped over seventh-place Pittsburgh to the pennant.

Cincinnati was the third club in on that down-to-the-wire race, finally given the gate by the Chicago Cubs to finish third, two games shy.

The Braves have breezed to two flags since then, and now, driving for a rare third in a row, they've surged into a one-game lead, beating fourth-place Pittsburgh 5-3 Tuesday night while seventh-place St. Louis jarred the Dodgers out of a first-place tie by battering Los Angeles 11-10.

**Giants Fall Behind**  
In keeping with that pennant pattern of three years ago, third-place San Francisco plunged two games behind with a 5-4 loss to the Cubs.

Each of the contenders has four games left. All finish the current series today. Then the Braves go home for a three-game weekend series with last-place Philadelphia while the Dodgers shift to Chicago and the Giants switch to St. Louis in the final run to decide who plays the Chicago White Sox from today.

Milwaukee's late surge to become the first three-in-a-row NL winner since the Cardinals of 1924-44 now has given the Braves a four-game streak and 13 victories in their last 15 games.

**Subdue Late Rally**  
To do it, they had to stand off a ninth-inning Pirate rally for the second night in a row. Lefty Juan Pizarro (6-2) beat the Bucs a third time after building a 4-1 cushion with a two-out, two-run double as the Braves scored three in the seventh off Harvey Haddix (12-12).

Reliever Don McMahon finally nailed it, giving up a pair of scoring singles by Smokey Burgess and Don Hoak before striking out pinch-hitter Rocky Nelson for the final out.

Andy Pafko doubled and John Demerit, replacing injured Bill Bruton in center field, beat out a bunt single for the Braves in the clinching seventh. Then, after Del Crandall, who had hit his 21st homer in the fifth, hit into a doubleplay and Felix Mantilla got an intentional pass, Pizarro sliced his double just inside the left field line. Bobby Avila, who tripled in the first and scored on Hank Aaron's fly, then singled in the final run off Haddix.

**Dodgers Blew Leads**  
Milwaukee took more than a percentage-point lead for the first time since June 30 as the Cardinals won't work on the Dodgers.

Los Angeles, making it close on rookie Frank Howard's pinch-hit, three-run homer in the ninth, chased nemesis Larry Jackson in the first inning, but blew 3-0 and 6-4 leads.

Hal Smith bombed starting Dodger southpaw Sandy Koufax with his first grand-slam homer in the first inning. After Gil Hodges' two-run, 24th homer gave the Dodgers the 6-4 edge in the third, the Cards came back with five runs in their half of the third. Curt Flood's three-run homer set it off against losing reliever Chuck Churn (3-2). Joe Cunningham singled in the tying run in the frame and a double by ex-Dodger Gno Cimoli scored the lead run.

**4th In Row For Giants**  
The Cardinals won it with two runs in the fifth, getting the clincher on an error by Carl Furillo on Cimoli's RBI single.

The Giants dropped their fourth in a row on a two-run, two-out homer by rookie George Altman in the ninth. It came off Sad Sam Jones, working in relief and tagged with his 15th defeat, third in a row since winning his 20th. Don Elston (9-8) was the winner in relief, coming on a two-run eighth where the Giants, who left nine men on base, scored twice

for their only lead, 4-3. The Cubs took fifth place with the victory as Cincinnati fell to sixth with a two-night doubleheader loss at Philadelphia, 3-1 and 3-2.

## OKLAHOMA IS PICK IN TV GRID BATTLE

**By HAROLD CLAASSEN**  
**Associated Press Sports Writer**  
NEW YORK (AP)—Those scientists Nikita Khrushchev always is talking about did hit the moon with one of their rockets. But could they score a touchdown? The Soviet visitor should take an hour or two off this weekend and see how it does.

The scoring will be done in about this fashion:  
**Tigers Rated Tops**  
Louisiana State over Texas Christian: The Louisiana Tigers have been voted the nation's best and their ace is Billy Cannon. He'll have to live up to his name to pierce that tough Texas line.

Oklahoma over Northwestern: This could be Oklahoma's best team in recent years. It will have to be to get past Northwestern, the Big Ten's No. 1 darkhorse. This will be on your TV screen.

Southern California over Pittsburgh: This is a Friday night affair.  
Princeton over Rutgers: These two teams started this football business almost a century ago and this is their 50th encounter. Rutgers has won only five and never two in a row. Princeton lost 28-0 a year ago.

Iowa over California: The Rose Bowl rivals of last January met earlier this season but the result will be about the same.

Syracuse over Kansas: The Easterners are powerful and need only a quarterback to be great. Wisconsin over Stanford: Dale Hackbart, Badger quarterback, can run, pass and kick.  
Auburn over Tennessee: The Auburn line will shackle famed Billy Majors, the Vols' wheelhorse.

**Favor Irish**  
Notre Dame over North Carolina: The George Izo to Monty Stickles battery should add to the North Carolina woes. But it will be close with Jack Cummings in the hero's role.

Indiana over Illinois: A rare Big Ten victory for the Hoosiers.  
Texas over Maryland: The middle of the Texas line is solid with Rene Ramirez the star of the backfield.

Wyoming over Air Force: The graduation losses of the Falcons were heavy. Wyoming on the way back to the top of the Skyline loop.

## OPEN GOLDEN GATE TOURNEY

SAN FRANCISCO (AP)—Golf's touring professionals, including the present U. S. Open, Masters and PGA champions, open fire Thursday in the inaugural of the \$40,000 Golden Gate Championship.

The scene is a San Francisco public course—Harding Park, and from there one of the pros can look across Lake Merced to the site of his greatest triumph four years ago.

For in 1955, a virtual unknown, Jack Fleck from Des Moines, beat the great Ben Hogan in a playoff for the U.S. Open title over the Olympic Club course. He hadn't won before and he hasn't won since.

When the 72-hole tournament starts, probably no one will consider him among the favorites in the 155-man field.

The entries include such stars as the present U.S. champion Billy Casper and the 1959 leading money winner Art Wall Jr., the Masters' champ.

## PHILS WIN 2; REDS IN SIXTH

PHILADELPHIA (AP)—The Philadelphia Phillies have ended their home season on a successful note.

The Phillies banged out 20 hits Tuesday night in sweeping a two-night doubleheader from Cincinnati 3-1 and 3-2, knocking the Reds into sixth place.

In the first game the Phillies scored a run in the second on Harry Anderson's double and pitcher Jim Owens (12-11) single. They added another in the fifth on a double by Joe Koppe and rounded out their scoring in the eighth on singles by Sparky Anderson and Owens and a wild pitch.

The Reds ruined Owens' shutout in the ninth when Johnny Temple doubled and scored on Gus Bell's single.

The Phillies rallied for two runs in the seventh inning of the nightcap for a come-from-behind victory. Sparky Anderson sparked the rally with a triple.

It has been 14 years since a Shippensburg High School football team defeated Gettysburg High but over Shippensburg way they feel the victory drought will come to an end this Friday evening when the Warriors meet the Greyhounds here.

The Hounds eked out a 6-0 victory in their opener against Littlestown and last week were tremendously improved in holding highly favored Susquehanna to a 6-6 deadlock.

Friday's game will mark the 32nd game in the series which began in 1920. The Warriors hold a 20-6 edge in triumphs, Shippensburg last winning in 1945 by a 35-14 score.

**Tied Last Year**  
Five games have ended in deadlocks, three in the last four years. The teams battled to a scoreless tie in the rain at Shippensburg last year.

Mike Small, veteran Warrior end, is expected to be ready for duty after missing the Westminster game because of a mild concussion suffered in practice.

## HEAVY TITLE FIGHT MAY BE NEXT JUNE 7

PHILADELPHIA (AP)—The return heavyweight fight between champion Ingemar Johansson and Floyd Patterson will be staged in Philadelphia's Municipal Stadium next June 7, providing two conditions are met, The Associated Press learned today.

A reliable source close to the Pennsylvania State Athletic Commission said that "according to Vincent Vellela we'll get the fight." Vellela is a director of Rosensohn Enterprises Inc., which was associated in the promotion of last June's match when Johansson dethroned Patterson.

But the source, who did not want to be identified, made it quite clear that Philadelphia would take the fight only if "Vellela and his group come out clean in the current investigation by the New York State Athletic Commission on the promotional angles of last June's fight."

"And a subsequent investigation by the Pennsylvania State Athletic Commissions turns out okay," Johansson signed last Aug. 25 to defend his title in a return bout with Patterson. But at the time it was only specified that the bout would be held in the United States between next March 1 and June 15.

**By JACK CLARY**

In the 90 years since Princeton and Rutgers played the first intercollegiate football game, they have sandwiched 49 games between three major wars, several economic crises and a flock of football rule changes.

But the two schools go into game No. 50 Saturday at Princeton's Palmer Stadium with hardly a thought to that cold Nov. 6 battle in 1869 when the two began the annual madness for 10 Saturdays each fall, and during the festive bowl days between Christmas and the New Year.

The series has seen football come from its rudimentary beginning on a barren field before a handful of spectators to its multi-decked stadia and millions of spectators each year, not to mention the millions more that watch each Saturday through television.

Princeton leads the series 44-5 but fell before the Scarlet and All America backfield Billy Austin 28-0 in 1958.

PHILADELPHIA (AP)—A return match between Reading's Henry Williams Jr. and North Hills' Stan Dudas for the Philadelphia PGA golf championships appears in the making.

Williams, the defending champion playing out of the Berkleigh Club, and Dudas, last year's runner-up for the title, led a field of 16 survivors into the third round today at the Philmont Country Club.

Williams got a scare in Tuesday's first round before he defeated President Eisenhower's occasional golfing partner, Gettysburg Dick Sleichter, 5 and 4. Williams had an easier time on the second round, as he shipped Johnny Haye of Riverton, N. J., also by 5 and 4.

Dudas, the medalist in this year's event, won by 5 and 4 over John Vasco of Lehigh C. C. in the morning round and by an identical score over Mike Rooney of Cool Creek in the afternoon.

## "BLACK SOX" GOT \$47,000 IN SCANDAL

**By JOE REICHLER**  
**Associated Press Sports Writer**

NEW YORK (AP)—Baseball's greatest gambling scandal, the "Black Sox" affair of 1919, saw only \$47,000 change hands to throw a World Series.

The eight accused players of the Chicago White Sox were supposed to have received \$100,000, but due to what was termed a "double cross," less than half that sum was involved.

Those allegedly behind the swindle included Arnold Rothstein, wealthy New York gambler; Abe Attell, former world featherweight boxing champion; Billy Maharg, former ex-fighter; and Bill Burns, former White Sox pitcher.

The money was to be paid in installments of \$15,000 after the first game, \$20,000 after the third day, \$25,000 on the morning of the fourth day, and the balance when the series ended.

**Cicotte Got \$10,000**  
Eddie Cicotte disclosed at the trial on charges of having accepted a bribe that he took \$10,000 as his share.

Joe Jackson, one of the eight, said he had demanded \$20,000 but he compromised for \$5,000.

Chick Gandil, ringleader of the eight, received the biggest take, \$20,000, according to court records. The others, with the exception of Buck Weaver, got amounts ranging from \$1,000 to \$5,000. The others accused Gandil, who was the payoff man, of crossing them on the money end of the deal, but Gandil swore that Attell was the one who was holding out.

**Attell Lied**  
Gandil probably was telling the truth. Attell had become involved when Burns, the originator of the scheme, had asked him to appeal to Rothstein to underwrite the swindle. Rothstein already had turned Burns down twice. Attell contracted to win him over.

Two days before the morning of the World Series, Attell showed Burns, Maharg and Gandil a telegram purporting to be from Rothstein, the signal to go ahead. Later developments proved Attell lied to the plotters. Rothstein actually had turned Attell down cold. There was no need to pay anybody off, he reasoned. He knew enough to assure him that all he had to do was bet on the Reds. He was supposed to have won \$200,000.

MOTHER SETON  
PTA HAS FIRST  
FALL MEETING

The Mother Seton School PTA held its first meeting of the school year on Thursday in the school cafeteria. President Carmel Kelly presided. The meeting opened with a prayer by the principal, Sister Anna Marie, and a group pledge of allegiance to the flag.

Several letters were read from recipients of the prizes donated by the PTA and awarded at graduation in June. A letter was also read from the former principal, Sister Francis.

Mrs. George Campbell, general chairman of the fall bazaar, to be held Saturday, October 17, reported on the progress to date.

## Faculty Introduced

Sister Anna Marie, the new principal of the school, introduced the new members of the faculty including Sister Mary Elizabeth, Sister Grace Francis, Sister Mary Xavier and Mrs. Joan Gouth. She also asked for volunteers among the mothers to assist with clerical work and with weighing the children. She stressed the importance of the school insurance for the children. This year, instead of having different grades entertain at each PTA meeting, a speaker or demonstration will be on each program.

Mrs. Dorothy Good, executive director of the Frederick County

MOTHER SETON PTA HAS FIRST FALL MEETING

The Mother Seton School PTA held its first meeting of the school year on Thursday in the school cafeteria. President Carmel Kelly presided. The meeting opened with a prayer by the principal, Sister Anna Marie, and a group pledge of allegiance to the flag.

Several letters were read from recipients of the prizes donated by the PTA and awarded at graduation in June. A letter was also read from the former principal, Sister Francis.

Mrs. George Campbell, general chairman of the fall bazaar, to be held Saturday, October 17, reported on the progress to date.

Faculty Introduced

Sister Anna Marie, the new principal of the school, introduced the new members of the faculty including Sister Mary Elizabeth, Sister Grace Francis, Sister Mary Xavier and Mrs. Joan Gouth. She also asked for volunteers among the mothers to assist with clerical work and with weighing the children. She stressed the importance of the school insurance for the children. This year, instead of having different grades entertain at each PTA meeting, a speaker or demonstration will be on each program.

## MISSING PAIR SEEK DIVORCES BELOW BORDER

BRISTOL, Pa. (AP)—The Bucks County Sheriff's office says it has been informed that Benjamin F. Stockett Jr. and a Levittown neighbor, Mrs. Margaret Connell, are seeking Mexican divorces.

Sheriff Harold Dando said Tuesday he received "summonses in divorce" from a lawyer in Chihuahua, where the suits were filed. The summonses are to be served on Stockett's wife, Mildred, and Mrs. Connell's husband, Edmond. In the legal actions, Stockett, a 37-year-old father of five, and Mrs. Connell, 29, mother of three, both charge incompatibility with their respective spouses.

**Missing Several Days**  
Both Stockett and Mrs. Connell have been missing from their homes for several days. Stockett turned up at a brother's home in Scottsdale, Ariz., but later disappeared again. Mrs. Connell has not been located.

## Premier Partakes Of Good Breakfast

SAN FRANCISCO (AP)—Soviet Premier Nikita S. Khrushchev, whose hearty appetite has evoked comment throughout his tour of the United States, sat down to a hearty breakfast again Tuesday. The menu included California orange juice; fresh Hawaiian pineapple yogurt and cottage cheese; omelet souffle made with egg whites, small veal chops and steamed rice, with sour cream sauce on the side; dollar-sized pancakes; coffee, tea, milk and mineral water, sweet rolls, white toast, butter, jelly, jam, marmalade and honey.

## Migrants Given Shots For Typhoid

WINCHESTER, Va. (AP)—Over 900 migrant farm workers at a camp here have received inoculations against typhoid fever. Health authorities say the source of infection may have been a contaminated well near Chambersburg, Pa.

Six members of one labor crew were hospitalized with severe gastro-intestinal infections. All were members of a crew which worked from Aug. 12 to Sept. 6 near Chambersburg.

Health director Dr. Stuart Nottingham said the symptoms of the illness and laboratory tests to date all point to typhoid. The workers are all Negroes from North Carolina and Florida.

The first football game involving Ivy League teams dates back to 1872 when Yale met Columbia.

# MISSING PAIR SEEK DIVORCES BELOW BORDER

BRISTOL, Pa. (AP)—The Bucks County Sheriff's office said it has been informed that Benjamin F. Stockett Jr. and a Levittown neighbor, Mrs. Margaret Connell, are seeking Mexican divorces.

Sheriff Harold Dando said Tuesday he received "summons in divorce" from a lawyer in Chihuahua, where the suits were filed. The summons are to be served on Stockett's wife, Mildred, and Mrs. Connell's husband, Edmond. In the legal actions, Stockett, a 37-year-old father of five, and Mrs. Connell, 29, mother of three, both charge incompatibility with their respective spouses.

**Missing Several Days**  
Both Stockett and Mrs. Connell have been missing from their homes for several days. Stockett turned up at a brother's home in Scottsdale, Ariz., but later disappeared again.

Meanwhile, an audit has been ordered into the books of two of the schools boards with which Stockett was connected. They are the Bristol Township Board, of which he was president, and the Deliaas Joint Board, which he formerly served as secretary. He resigned both posts in a letter sent from Missouri Sept. 14. Both boards accepted.

SAN FRANCISCO (AP)—Soviet Premier Nikita S. Khrushchev, whose hearty appetite has evoked comment throughout his tour of the United States, sat down to a hearty breakfast again Tuesday. The menu included California orange juice; fresh Hawaiian pineapple yogurt and; cottage cheese; omelet souffle made with egg whites, small veal chops and steamed rice, with sour cream sauce on the side; dollar-sized pancakes; coffee, tea, milk and mineral water, sweet rolls, white toast, butter, jelly, jam, marmalade and honey.

Khrushchev's personal chef and one from the plush Mark Hopkins Hotel, where he was staying, got together at 5:30 a.m. to begin preparation of the pancakes, which were made with cottage cheese, eggs, flour, butter and sugar.

## Migrants Given Shots For Typhoid

WINCHESTER, Va. (AP)—Over 900 migrant farm workers at a camp here have received inoculations against typhoid fever. Health authorities say the source of infection may have been a contaminated well near Chambersburg, Pa.

Six members of one labor crew were hospitalized with severe gastro-intestinal infections. All were members of a crew which worked from Aug. 12 to Sept. 6 near Chambersburg.

Health director Dr. Stuart Nottingham said the symptoms of the illness and laboratory tests to date all point to typhoid.

The workers are all Negroes from North Carolina and Florida.
